HIDDEN HARBOR MARINA
SLIP LEASE (SEASONAL)

LEASE dated _____, 20____, by and between the following:

FRONTIER MGT. LLC, a Minnesota limited liability company,
whose mailing address is P.O. Box 136, Bigfork, Montana 59911,
hereinafter referred to as "Lessor."

and

hereinafter referred to as "Lessee."

FOR VALUABLE CONSIDERATION, it is agreed:

1. Description of Leased Property. Lessor does hereby lease to Lessee the following boat slip located in the Hidden Harbor Marina (the "Marina") situated in Lake County, Montana, which is more particularly described as follows (the "Boat Slip"):

Boat Slip No. _____, Hidden Harbor Marina.

2. Term. The initial term of this Lease shall be for one (1) boating season commencing on May 15, 2009 and terminating on November 1, 2009.

3. Rent. Lessee shall pay to Lessor the sum of \$_____ U.S., as prepaid rent for the full term of this Lease. The parties acknowledge and agree that weather and water level conditions may result in boating season beginning and ending on dates other than those provided above and that the permitted occupancy dates may vary accordingly. In such event there shall be no adjustment of rent or Association dues. Lessor reserves the right to temporarily adjust slip assignments due to situations beyond its control; i.e. weather conditions, low lake levels, mechanical, or structural problems, emergencies, etc.

4. Hidden Harbor Association. Lessee understands and acknowledges that upon execution of this Lease, Lessee shall automatically become a member of the Hidden Harbor Association, a Montana non-profit corporation (the "Association"), for the term of this Lease. Lessee further acknowledges that the use of the Boat Slip shall be governed by the Association's documents. Lessee understands and acknowledges that \$300 of the rent paid will be forwarded to the Association for the annual dues. Lessee acknowledges receipt of a copy of and agrees to be bound by the following association documents (the "Association Documents"):

(a) Articles of Incorporation;

- (b) Bylaws;
- (c) Covenants, Conditions, Restrictions, and Easements; and
- (d) Rules and Regulations (most current edition).

5. **Easements.** Lessee shall be provided certain easements and/or licenses to use Marina property such as the private roadways, parking lots, facilities, rest rooms, and the like. The specific details of such easements and/or licenses are set forth in the Covenants, Conditions, Restrictions and Easements for the Hidden Harbor Marina.

6. **Parking.** Lessee shall only park his or her watercraft trailer on Marina property while launching and/or loading of Lessee's watercraft. Further rules, restrictions, and requirements related to parking are set forth in the Rules and Regulations.

7. **Electricity and Water.** Lessor shall provide an electrical outlet for the Boat Slip. Lessor shall provide water spigots at central locations for use by all of the lessees. Lessee may use reasonable quantities of electricity and water for use in connection with Lessee's watercraft. Lessor and Association reserve the right to set reasonable limits on such use and surcharge Lessee for any usage in excess of such limits. Further rules, restrictions, and requirements relating to electrical and water usage are set forth in the Rules and Regulations.

8. **Storage and Obstruction of Docks.** Lessee shall store all dinghies and all other personal property aboard his or her watercraft and not on the docks or in the water. Lessee shall keep all docks and walkways clear from obstructions of any kind.

9. **Fishing.** There shall be no fishing on Marina property at any time. Fish will be cleaned only at the fish cleaning facility provided, if such a facility is provided. Further rules, restrictions, and requirements related to fishing and fish cleaning are set forth in the Rules and Regulations.

10. **Keys.** Lessee may, at Lessee's option, provide Lessor with a set of ignition and main door keys to Lessee's watercraft. Lessor shall enter Lessee's watercraft only for emergency services or for slip maintenance purposes.

11. **Commercial Endeavors.** Lessee understands and acknowledges that the Marina is a commercial endeavor of Lessor and, therefore, Lessee hereby agrees to refrain from any commercial activity on Marina property without the prior written consent of Lessor. Additional rules, restrictions, and requirements pertaining to commercial operations are set forth in the Rules and Regulations.

12. **Compliance with Law.** Lessee covenants and agrees that the Boat Slip and Marina property shall not be used in violation of any law, statute, ordinance or regulation of any political subdivision or any deed restriction of record.

13. **Insurance.**

(a) Lessor may obtain and maintain during the term of this Lease fire and extended casualty insurance against injury to the docks and related Marina improvements. Lessee understands and acknowledges that the Association will be obligated to reimburse Lessor for a pro rata portion of such taxes attributable to the portion of the Marina occupied by the Association's members and that Lessee shall be obligated to pay a portion of such insurance costs via his or her Association dues. The allocation formulas and further details about the required payments are set forth in the Association Documents.

(b) Lessee shall obtain and maintain during the term of this Lease general liability insurance against injury or damage to person and property in the amount of at least \$300,000.

(c) Lessee shall obtain and maintain during the term of this Lease watercraft casualty insurance covering the actual cash value (replacement cost less depreciation) of Lessee's watercraft.

(d) All of the insurance that Lessee shall obtain and maintain shall name Lessor and the Association as additional insureds and shall be carried with an insurance company qualified to do business in the State of Montana. Lessee will provide Lessor with certificates attesting to the insurance coverage. Lessee will obtain from all of the companies providing the insurance described above, a waiver of any right of subrogation the insurance company may have against Lessor and Association.

(e) Lessor and Association will take all reasonable precautions to protect the safety of and property of Lessee. However, Lessor and Association assume no responsibility for the safety of any watercraft moored in the Marina and shall not be liable for fire, theft, damage, or vandalism to Lessee's watercraft, its equipment, appurtenances, engines (including outboard engines), dinghies, trailers, etc., however arising, it being understood and agreed that Lessee shall moor the watercraft at Lessee's own risk.

14. Maintenance.

(a) By Lessee. Lessee shall maintain and keep his or her watercraft in good condition and shall not let the appearance of such watercraft deteriorate to become unsightly or a detriment to the Marina or fellow lessees. All maintenance of watercraft shall take place in accordance with the rules, restrictions, and requirements set forth in the Rules and Regulations.

(b) By Lessor. Lessor shall maintain and repair the Boat Slip and docks against damage caused by normal wear and tear.

15. Damage.

(a) Lessee shall be liable for all damage to the Boat Slip and docks caused by other than normal wear and tear.

(b) Lessee shall be liable for all damage which Lessee's watercraft may cause, by any means, to other watercraft in the Marina or to the Marina structures, equipment, or facilities.

16. Salvage.

(a) Sunken Watercraft. In the event that Lessee's watercraft, or any watercraft operated by or within the control of Lessee, sinks within the Boat Slip or the Marina, Lessee will commence salvage activities within twenty-four (24) hours of notice by Lessor that such sinking has taken place. Failure to commence such salvage action within the prescribed time shall give Lessor the right to salvage the watercraft and Lessee shall reimburse Lessor for all expenses incurred in salvaging the watercraft. Lessor shall not claim salvage rights on any action that might be so taken.

(b) Emergency Salvage. In the event Lessee's watercraft, or any watercraft located with the Boat Slip or the Marina which is operated by or controlled by Lessee, is observed to be sinking or on fire while moored, Lessee grants to Lessor, without recourse, the right to attempt salvage and take whatever measures Lessor deems appropriate and Lessee shall reimburse Lessor for all expenses incurred in salvaging the watercraft. Lessor shall not claim salvage rights on any action that might be so taken.

17. Lien. Upon an Event of Default (defined below) which remains uncured for fourteen (14) days after written notice thereof, Lessee hereby grants to Lessor a security interest and an express lien upon Lessee's watercraft, its equipment, furnishings, and other appurtenances, to secure all sums due under this Lease, including attorney's fees and costs, and to secure all sums due for provisions, labor, storage, maintenance, and fuel provided by Lessor. Lessor reserves the right to file a financing statement with both the Montana Secretary of State's office and the Lake County Clerk and Recorder's office evidencing its security interest and lien in the watercraft. The lien may be enforced by Lessor according to the laws of the State of Montana, as well as pursuant to the maritime laws and customs of the United States of America. Furthermore, upon an Event of Default remaining uncured for fourteen (14) days, Lessee extends a license to Lessor to board the watercraft to remove any machinery, equipment, fuel, or other material Lessor provided or installed. The license is coupled with an interest and shall not be revoked.

18. Indemnification. Lessee agrees to indemnify and hold Lessor, its officers, its members, its agents, and its employees harmless from any loss, liability, demand or claim of any kind or nature, including attorneys' fees and costs, for injury to person or property, arising out of or as a result of the Lessee's (including Lessee's family, employees, agents, guests, or invitees including business invitees) use or possession of the Boat Slip, the Marina facilities or property, or Lessee's breach of any of the terms of this Lease. Lessee further agrees to indemnify and hold Lessor, its officers, its members, its agents, and its employees harmless from any loss, liability, demand or claim of any kind or nature, including attorneys' fees and costs, arising out of or as a result of environmental damage caused by a discharge, whether voluntary or accidental, of hazardous materials from Lessee's watercraft or any watercraft operated or controlled by Lessee.

19. Right of Entry. Lessor shall have the right to enter the Boat Slip (and associated dock system) at reasonable times to inspect the same.

20. Liens and Encumbrances. Lessee covenants and agrees not to cause or suffer any liens or encumbrances to be placed against or upon the Boat Slip due to any act or omission by Lessee, and in the event that any lien or encumbrance is placed of record, Lessee will use diligence to cause the same to be removed at Lessee's expense.

21. Waiver. The waiver by Lessor of any breach of any terms, covenants or conditions herein contained shall not be deemed to be a waiver of the term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition herein contained. No covenant, term or condition of this Lease shall be deemed to have been waived by Lessor, unless the waiver is in writing by Lessor.

22. Attorney's Fees. Should either party incur any costs or expenses, including reasonable attorneys' fees, in enforcing any of the provisions of this Lease, then the other or unsuccessful party shall reimburse the prevailing party upon demand.

23. Notice. Any notice to be given under this Lease shall be in writing and shall either be served upon a party personally, or served by registered or certified mail, return receipt requested, directed to the party to be served at the addresses of the party set forth on the first page of this Lease. A party wishing to change its designated address shall do so by notice in writing to the other party. Notice served by mail shall be deemed complete when deposited in the United States mail, postage prepaid. Rejection or other refusal to accept or inability to deliver because of changed address of which no notice was given shall be deemed to be receipt of the notice.

24. Time. Time of payment and performance shall be of the essence of this Lease.

25. Entire Agreement. Except for the Association Documents described above in Section 8, this Lease contains the entire agreement and understanding of the parties, and supersedes any and all prior negotiations and understandings. This Lease shall not be modified, amended or changed in any respect except by written document signed by all parties hereto.

26. Interpretation. If any portion of this Lease shall be held to be void and unenforceable, the balance thereof shall nonetheless be effective. This Lease has been made and entered into in the State of Montana and shall be governed by the laws of the State of Montana.

27. Headings. The headings used herein are for convenience only, and shall not be construed as a part of this Lease or as a limitation on the scope of the particular paragraphs to which they refer.

28. Binding Effect. This Lease shall be binding upon and shall inure to the benefit of the heirs, legal representatives, successors and assigns of the parties.

29. Assignment. This Lease is not assignable by Lessee.

30. Sublease. Lessee shall not sublease the Boat Slip.

31. Default. The occurrence of any of the following shall constitute an Event of Default hereunder:

(a) Lessee shall fail to pay for any provisions, services, labor, materials, or fuel provided by Lessor or Association within ten (10) days after written notice by Lessor of such non-payment; or

(b) Lessee shall fail to pay any other sums provided for herein or to observe or perform any of the obligations of Lessee provided for herein within ten (10) days after written notice of such default; provided, however, that if any term, covenant or agreement is such that non-performance or non-observance thereof cannot be corrected within such 10-day period, the non-performance or non-observance shall not constitute a default hereunder if corrective action is instituted by Lessee within such period and diligently pursued to correction; or

(c) Lessee shall otherwise fail to comply with the Association Documents, within ten (10) days after written notice by Association of such non-compliance;

32. Remedies for Default. If an Event of Default occurs, Lessor may resort to any and all legal remedies or combinations of remedies which Lessor may desire to assert including, but not limited to one or more of the following:

(a) Lessor may, at Lessor's option, cure such default on behalf of Lessee, in which event Lessee shall be liable to Lessor on demand for all sums paid to effect such cure, together with interest at the rate of eight percent (8%) per annum; and

(b) Without canceling this Lease, sue for payments due and to become due under the Lease, or for damages sustained by Lessor; and

(c) Pursue specific performance of this Lease; and

(d) Upon providing Lessee fourteen (14) days additional written notice and upon Lessee's failure to cure during such fourteen (14) day period, declare this Lease canceled, whereupon Lessee shall be relieved of any further liabilities or obligations hereunder from and after the date of such cancellation, except with respect to sums due or accrued prior to said date of cancellation and other liabilities or obligations that specifically survive termination of this Lease.
